### Message

I am glad to learn that Pharmacy Council of India (PCI), New Delhi has accorded permission to Crescent Educational Trust, Hatigaon Guwahati to run D. Pharm course from academic session 2019-2020. I am also happy to learn that the Trust is bringing out a prospectus for the aspiring students of this course.

Educating public to use medicines responsibly is an essential task and the pharmacists play an important role by giving patients the vital information they need to achieve positive health outcomes. It is hoped that students in their sojourn as a D. Pharm aspirant will get opportunity to learn new concepts, widen their horizons and to explore their talents and come out as a technically competent professional and healthcare provider.

I would like to convey my heartiest best wishes to the students of D. Pharm course and wish their bright and happy career. May they enjoy every moment of their sojourn while being a part of this programme.
